My dear - How did the election suit you? or rather the result? Did you vote? yes, I did. Why do you not let me hear from you? Are you all right? Babies have had a bad time getting over colds since coming from Whitlin but on the mend this week. Ida sent me a pair of socks so I do not need the green cloth that I forgot to bring home. When you come bring me a little apron [illegible] with straps over shoulders. Want to make Mary Louise to help me in kitchen. Funny? We are getting along fine. Has grandma C. been over? Come up before moving? Friday - Ida.
